02/09/2024	<u>113</u>	(TEXT-ONLY) ORDER by the Honorable Kelly H Rankin. The Court held an informal discovery conference on 2/8/2024 to address a number of concerns raised by Plaintiff. Those concerns primarily relate to Request for Production numbers 2, 3, 4, 6, 35, 36, and 39 that Plaintiff served Defendant MineOne in December 2023 and a request for additional interrogatories in excess of the 25 allowed under Fed. R. Civ. P. 33(a)(1). Defendant MineOne represented it would be prepared to answer Request for Production numbers 2, 3, and 4 on or before 2/18/2024; that it had fully responded to Request for Production number 6; would supplement its answers to Request for Production numbers 35, 36, and 39 on or before 2/14/2024; and objected to the number and breadth of additional interrogatories Plaintiff seeks. MineOne additionally raised an issue regarding the identity of a person that Plaintiff has knowledge of, containing information it wishes to subpoena. Plaintiff stated it has objections but would respond to the request for the identity on or before 2/12/2024. The Court directed the parties to respond to the respective requests within the dates provided, to include any objections each party may have. It further ordered the parties to confer on the interrogatory number and breadth issue by phone or videoconference. If such conferral is unsuccessful, Plaintiff may file a motion to compel and for additional interrogatories. (Court Staff, sjdl) (Entered: 02/09/2024)

05/17/2024	187	(TEXT-ONLY) ORDER by the US Magistrate Judge Mark L Carman. Informal discovery hearing was held regarding additional discovery on jurisdiction, specifically the deposition of James Frees, the owner of the residence Mr. Descrocher asserts as his domicile. A Motion to Dismiss is pending before this Court regarding lack of jurisdiction with the critical issue being the residence of Mr. Desrocher. A hearing on the motion is set on May 22, 2024, less that one week from the date of this conference. Defendant MineOne issued a notice of deposition for Jim Frees on April 16, 2024. Since that time, Defendant has been unable to serve the subpoena and relates that it appears that Mr. Frees is avoiding service. The subpoena remains unserved at the time of this conference and Defendant MineOne could not assure service and deposition could be completed prior to the scheduled hearing on May 22, 2024. There were similar problems with gaining service on Mr. Desrocher which required Defendant MineOne to seek the intervention of this Court to obtain his deposition. Significantly, Defendant MineOne filed a timely notice of deposition and sought intervention of this Court to gain service of the subpoena when avoidance was apparent. Defendant MineOne did not seek the deposition of Mr. Frees until the matter was raised by Plaintiff in a discovery conference less than a week prior to the hearing on the Motion to Dismiss. Defendant MineOne's late request for the deposition of Mr. James Frees, and failure to seek intervention of the Court to gain service of the subpoena until this late date and well after the discovery cutoff for jurisdictional discovery, does not justify this court allowing this deposition to proceed.

		Further, MineOne has subpoenaed records from Progressive Insurance Company related to jurisdiction. Progressive has not yet provided those documents and Plaintiff failed to produce those documents in response to discovery requests. Defendant MineOne may submit those documents for the Court's consideration if they are received prior to this Court's decision regarding jurisdiction. **ORDER GRANTING REQUEST FOR ISSUANCE OF PREJUDGMENT
WRITS OF ATTACHMENT AND GARNISHMENT**

Upon consideration of Plaintiff's motion for a prejudgment writ of attachment and garnishment (ECF No. 182; ECF No. 203), the affidavit of Michael Murphy attached (ECF No. 182-1), as well as plaintiff's complaint on file in this action, the court being fully advised in the matter and good cause appearing; now, therefore, the court makes the

following findings in conformity with the court's ruling at the evidentiary hearing held on June 27, 2024:

1. Under Federal Rule of Civil Procedure 64, "[a]t the commencement of and throughout an action, every remedy is available that, under the law of the state where the court is located, provides for seizing a person or property to secure satisfaction of the potential judgment." Fed. R. Civ. P. 64(a). These remedies include "attachment," "garnishment," and "other corresponding or equivalent remedies." Fed. R. Civ. P. 64(b).
2. Pursuant to Wyoming law, a plaintiff "may have the property of the defendant ... attached as security for the satisfaction of any judgment that may be recovered." Wyo. Stat. Ann. § 1-15-201(a). Before a prejudgment writ of attachment may issue, the plaintiff must file an affidavit stating:
 - (i) That the defendant is indebted to the plaintiff, specifying the amount of the indebtedness ... and the nature of the indebtedness;
 - (ii) That the attachment is not sought to hinder, delay or defraud any creditor of the defendant;
 - (iii) That the payment of the indebtedness has not been secured by a mortgage or lien upon real or personal property in this state, or, if originally so secured, that the security has, without any act of the plaintiff ... become impaired; and
 - (iv) Any one (1) or more of the following grounds for attachment:
 - (A) That the defendant is not a resident of this state;
 - (B) That the defendant is a foreign corporation, not qualified to do business in this state;

(C) That the defendant stands in defiance of an officer, or conceals himself so that process cannot be served upon him;

(D) That the defendant has assigned, removed, disposed of or concealed, or is about to assign, remove, dispose of or conceal, any of his property with intent to defraud his creditors;

(E) That the defendant has departed or is about to depart from the state to the injury of his creditors;

(F) That the defendant fraudulently or criminally contracted the debt or incurred the obligation respecting which the action is brought. *Id.* at (b)(i)-(iv).

3. Plaintiff bears the burden of establishing facts sufficient to justify the issuance of a writ, Wyo. Stat. Ann. § 1-15-103(a)(v), and Plaintiff has satisfied this burden.
4. The facts and reasons supporting this request for prejudgment writ of attachment and garnishment are plaintiff's allegations, supporting affidavits, and presentation at the evidentiary hearing held on June 27, 2024 demonstrating that Plaintiff has a right to attach property of Defendant MineOne Wyoming Data Center, LCC, in the amount of \$15,529,165.00, as purchase monies exchanged between CleanSpark, Inc. and Defendant MineOne Wyoming Data Center, LLC for the sale of properties in Laramie County, Wyoming.
5. Having reviewed the complaint of plaintiff and the documents on file in this action, it appears that plaintiff has a meritorious claim for relief. However, the Court notes that its findings are preliminary, based only on the record now before it, and should not be considered a final determination as to the validity of any

party's claims in this action, nor the anticipated or predetermined compensatory damages attributable to Plaintiff.

6. The amount for which the attachment and garnishment will issue in this action is for the principal sum of \$15,529,165.00.
7. Prior to attachment, plaintiff shall furnish a surety bond, pursuant to Wyo. Stat. Ann. § 1-15-104(a), in the sum of \$100,000.00. Such bond shall be filed with the Clerk of Court before the writs specified in this order will issue.

CONCLUSION

Accordingly, **IT IS HEREBY ORDERED**, that:

1. Prior to attachment, Plaintiff shall file a \$100,000.00 surety bond pursuant to Wyo. Stat. Ann. § 1-15-104(a) with the Clerk of Court, as security for the payment of costs and damages which may be incurred or suffered by any party as a result of the wrongful issuance of the writ. Such bond shall be furnished before the writ specified in this order will issue.
2. Upon the filing of a surety bond in the amount of \$100,000.00, Plaintiff shall file a notice of deposit in this case, and the Clerk of Court shall issue a writ of attachment forthwith in the amount of \$15,529,165.00 against the Defendant.
3. The amount for which the attachment and garnishment will issue in this action is for the principal sum of \$15,529,165.00. Pursuant to Fed. R. Civ. P. 67(a) and U.S.D.C.L.R. 67.1(a), the Court directs the Clerk of Court to deposit the aforementioned principal sum within the Court Registry Investment System ("CRIS"), an interest-bearing cash management tool administered by the

Administrative Office of the United States Courts, pursuant to 28 U.S.C. § 2045(b). An account, entitled *BCB Cheyenne LLC v. Mine One Wyoming Data Center LLC et al*, No. 1:23-cv-00079-ABJ, will be established in the CRIS Liquidity Fund, amounting to \$15,529,165.00. The Clerk of Court shall deduct from any income "earned on the investment a fee not to exceed that authorized by 28 U.S.C. § 1914(b) and any regulations promulgated thereunder by the Judicial Conference of the United States." U.S.D.C.L.R. 67.1(b).

4. The Clerk of Court shall retain such surety bond and funds until further order of the Court. Only by order of this Court shall the Clerk of Court withdraw or disperse any bond or funds.

IT IS SO ORDERED.

Dated this 28th day of June, 2024.
